

# Mid Essex Hospital Services

NHS Trust

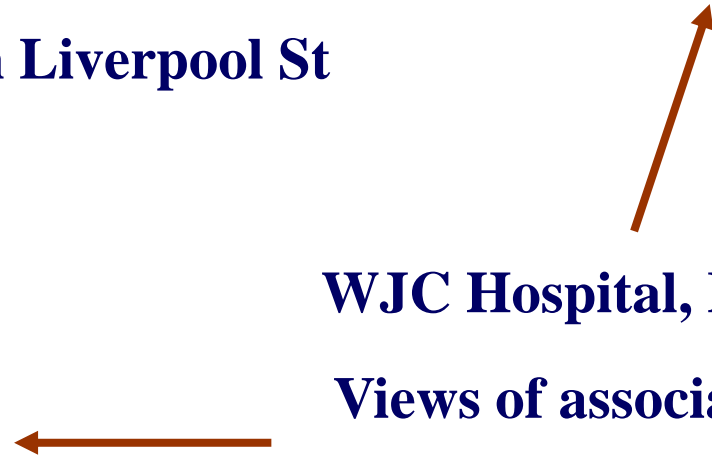

**Dr Keith Hattotuwa**  
**Academic Sub-Dean**  
**Foundation Programme Director**

# Surrounding Population

- **350,000 and growing....**
- **Close to London**
- **Good road links-A12 /M11**
- **Beautiful countryside**
- **Surrounding villages**
- **Stansted airport nearby!**
- **Good rail service to London Liverpool St**

**WJC Hospital, Braintree**  
**Views of associated sites**  
**St Peter's, Maldon**

# Associate University Teaching Hospital

- **604 beds**
- **Renal dialysis unit**
- **Regional Plastics and Burns Unit**
- **Mock exam held for 3<sup>rd</sup> years**
- **Students get a mentor and personal record card of cases seen**
- **Surgical and Medical Assessment Units**

# **The Trust provides services at two main hospital sites:**

- Broomfield - the main hospital site housing Accident and Emergency services and the regional burns and plastic centre, St Andrew's.
- St John's - the main centre for maternity and gynaecology services.

## **It also provides services at 4 other locations in the mid Essex area**

- St Peter's Hospital in Maldon.
- The Chelmsford and Essex centre .
- St Michael's Hospital in Braintree
- William Julien Courtauld Hospital in Braintree.

# Soon to be a Foundation Hospital

- From June of this year the Hospital will be going to Foundation status.
- The new name will be Chelmsford and Essex University Foundation Hospital
- This will then be followed by the unveiling of the new hospital in 2010 once the PFI project is completed.

# Modern facilities for patients

- New scanners installed
- St Andrews theatres are all new
- Expanded renal dialysis unit
- New catheter laboratory
- COPD nurses provide support

## Facilities for Staff

- **Excellent library**
- **Computer facilities**
- **Bio skills lab**
- **Newly refurbished academic centre**

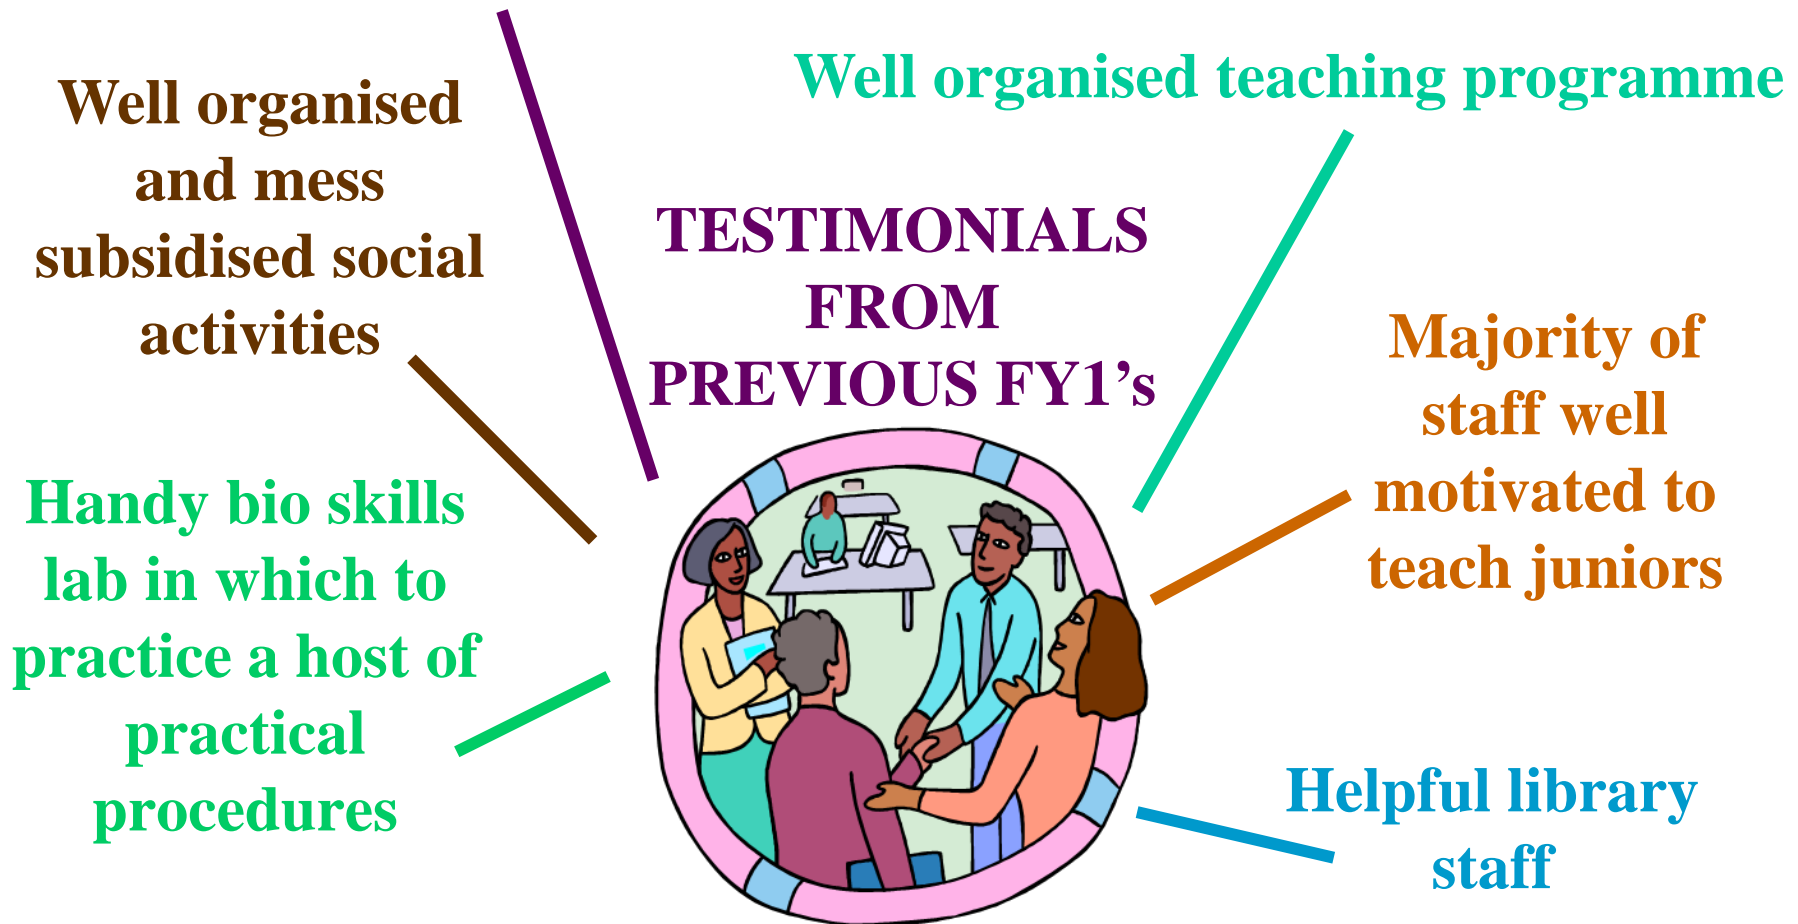

- **Tennis courts**
- **Staff parking**
- **Purpose built accommodation – on site competitive prices**

# Good Training Opportunities

- **Surgical Breakfast Club**
- **Anaesthetic Taster Week**
- **Medical Grand round**
- **Speciality meetings**
- **EQUIP meetings monthly**
- **Dedicated and protected FY teaching**
- **Administrative support from Medical Academic Unit – all trainees progress monitored monthly with assessments and open clinics with Clinical Tutor and Foundation Director**

# Probably the best outlying DGH in NETFS

**Good breakfast and teaching at Wednesday morning- also access to drug reps with free stuff!**

# FY1, FY2, ST1 and beyond...

- 30 FY1 posts
- 30 FY2 posts
- SHO, ST1, ST2 etc

# ROTATION LISTS FOR BOTH FY1'S AND FY2'S

**F1 ROTATIONS COMMENCING AUGUST 2008**

*Confirmation of August 2008 F1 Rotations given by :*
